

This architectural floor plan illustrates a building layout with a grid system. A thick orange line traces a path through the plan, starting from the bottom left, moving right, then up, and finally right again. The plan includes various rooms such as offices, meeting areas, and service spaces, each labeled with a number in a small box. Dimensions for different areas are provided, such as 180/230, 80/210, and 75/210. The plan also shows furniture like desks, chairs, and tables, as well as architectural features like doors, windows, and stairs. A central area is marked with a large 'X' inside a square, possibly indicating a core or a specific structural element. The overall layout is organized and detailed, providing a clear view of the building's internal structure and spatial organization.
